

The Harlem Wizards offer a basketball camp like no other

The Wizards aren't just making an appearance, our players run the Camp!

The Wizards make learning fun. Our camps are a great place to learn and develop one's basketball skills and love for the game. The Wizards help develop overall fitness while keeping camp exciting, teaching the fundamentals and their signature tricks.

E-mail us at camp@harlemwizards.com to request further information on how to host a camp in your community.
