HARLEM WIZARDS ENTERTAIN AT MADISON SQUARE GARDEN EVENT RUN BY ISTAR Charity Foundation is a Slam Dunk

The Harlem Wizards brought trick-hoops & alley-oops! to this star-studded charitable event at Madison Square Garden. Besides the excitement the Wizards brought, other stars were present, Knick Players David Lee, Toney Douglas, WNBA player Cappy Pondexter, as well as some high profile models.

*“On behalf of Jay Sugarman and the iStar Charity Foundation, I would like to extend my heartfelt thanks for your participation in the **8th Annual iStar Charity Shootout** on Monday, June 21, 2010. The Foundation is honored to have been able to once again host this unique event and is grateful for your commitment to producing the Shootout and promotion of our cause.*

As a result of your involvement both on and off the court, the Shootout raised more than \$370,000 before expenses for Robin Hood, Human Rights First, Baby Buggy and Teach For America! Donations are still coming in, and we are confident that this number will continue to grow over the coming days.

We have received a tremendous amount of positive feedback from our corporate sponsors, participants and celebrity guests. This was a memorable event for everyone involved, and I thank you for your support and for allowing us to help touch the lives of those in need.

It was a pleasure working with you, and I look forward to future collaboration as we continue to grow the Shootout and expand the outreach and impact of our Foundation”.
