HARLEM WIZARDS IN A NEW YORK STATE OF MIND APPEARING AT NY STATE FAIR

About One Million people visit the NY State Fair in Syracuse, over a period of 12 days, beginning August 21 thru September 1.

Typically music, native culture, dance, animals and many other New York Attractions make the fair what it is.

Now for the first time ever, the fair will have Trick-Hoops, Alley-Oops and a Whole Lot More on the basketball court, with the Harlem Wizards.

The Wizards contingent of Broadway, Swoop, "Big Mike" Mathews and NIKE star, Luis "Triksz" Da Silva will be performing three 30 minute shows every day. In addition you will have a chance to meet the Wizards close up at the Fair after each show.
